

Anacortes and San Juan Islands Ferry Advisory Committee and Community Partnership List

State law directs WSF to work with Ferry Advisory Committees to develop ferry schedules that work, resolve customer problems and understand regional issues. Additionally, WSF has formed partnerships with ferry communities in the Port Townsend/Coupeville, Edmonds/Kingston, and Anacortes/San Juan Islands routes to ensure the reservation system meets customer needs. Below is a combined list of San Juan Islands FAC and partnership members, with contact information provided for FAC members.
